## SUMMARY

---

Dynamic QA Engineer with 7 years of experience in leading quality assurance processes, enhancing product quality and ensuring high standards. Expert in manual and automation testing, developing comprehensive QA documentation and maintaining test cases. Proficient in a wide range of tools and languages, including Node.js, JavaScript, TypeScript, Cypress, WebDriverIO, Selenium, Playwright, Docker, and Jenkins. Strong focus on continuous integration and best practices in QA engineering, fostering a culture of quality and automation.

## EXPERIENCE

---

September 2021 - March 2024

Deltatre, Playa Vista - **Senior QA Engineer**

- Led QA activities for manual and automation projects, enhancing product quality
- Directly communicated with clients to ensure high product and process standards
- Developed comprehensive QA documentation, including test plans, test cases and defect reports
- Created automation tests for major sports websites using various frameworks, improving regression and sanity test efficiency
- Implemented backend automation tests for internal applications, enhancing API endpoint and SDK coverage
- Developed hooks and applications to ensure the creation or deletion of test data to optimize automated testing
- Mentored junior team members to conduct the best QA practices possible for manual and automated testing

October 2017 - September 2021

GOAT, Culver City - **QA Engineer**

- Enhanced GOAT.com with Cypress.io unit tests, improving test coverage
- Collaborated with engineers to maintain up-to-date Cypress testing coverage
- Led regression testing for web and mobile platforms, creating detailed release reports and bug tracking
- Conducted manual and automated testing, ensuring high-quality releases
- Managed new feature releases while collaborating with cross-functional teams
- Mentored QA team members, fostering a culture of quality and automation

## EDUCATION

---

December 2020 - June 2021

UCLA Extension Coding Bootcamp, Los Angeles - **Full Stack Web Development, Graduate Certificate**

August 2014 - August 2017

University of the Pacific, Stockton - **BA, Political Science**

## AWARDS

---

Division 1 Men's Tennis - West Coast Conference Honorable Mention Award for Singles and Doubles (2017)

## SKILLS

---

Node.js	JavaScript	TypeScript	WebDriverIO	Cypress	Selenium
Playwright	Mocha	Jenkins	Postman	Cucumber	ChromeDriver
SQL	GitHub	Azure DevOps	Heroku	MongoDB	Google Lighthouse
JMeter	Docker	Chai.js	HTML	CSS	TestRail API
